

THRIVING TOGETHER

2019 SUSTAINABILITY REPORT HIGHLIGHTS

“We believe that sustainability must be central to what we do for our businesses, and the communities in which they operate, to thrive in the long term.”

Merlin Swire
Chairman

The Swire Pacific 2019 Sustainability Report is a display of how we are integrating sustainability into our everyday operations. Sustainability is one of our key strategic objectives, for the benefit of our businesses and all of our stakeholders. It is a long-standing commitment that not only protects the natural environment, but provides an opportunity for greater innovation, efficiency and sustainable growth.

Our 2019 highlights are a selection of ways in which we are contributing towards a more sustainable and resilient future, for everyone.
